Bowlers will switch lanes and continue if they remain tied after first shot, and repeat until the tie is broken. Higher seed chooses order of roll-off.
6. Any ties for final advancing spot will be broken by a one game roll-off, immediately following qualifying. If two squads are conducted, and a tie occurs, the single game will be after squad 2. It is the bowler's responsibility to be present and ready in the occurrence of a tie. Ties for seeding will be broken by the highest qualifying game. If the bowlers have the same high game, it will go to the next highest game(s) until tie is broken.
